

A vibrant summer-themed illustration. At the top, a bright sun with rays is on the left, and two palm trees on a small island are on the right. A sailboat with a yellow and red-and-white striped sail is on the left side of the top section. The background is a bright blue sky with white clouds. The main title '夏季休業' is written in large, bold, blue characters with a white outline and a drop shadow, centered at the top. Below the title is a large white rectangular box with a thin black border, intended for additional text. At the bottom, there is a border of yellow sunflowers. The overall scene is set against a blue background that transitions from a light blue sky to a darker blue ocean and a sandy beach at the bottom.
